TERMS AND CONDITIONS OF PERMIT

- (1) To refill street openings use clean fill no stones.
Tamper every foot to fill. Fill to top with 6 inches of stabilizing base and 2 inches of F.A.B.C.
Also, cobble stones and curb lines must be restored to same condition as prior to excavation.
- (2) All backfill of openings require that our inspector be present before backfilling operation commences. For an inspection call either 201 420-2048 or 201-420 2384.
- (3) The opening shall be left uncovered and unconcealed until it has been tested and approved. Where such opening has been covered or concealed before it has been tested and approved, it shall be exposed for testing.
- (4) Work must begin within 24 hours of this permit. Permit is valid only for dates indicated above.
- (5) If work does not begin within 24 hours of issuance of this permit or if work exceeds completion date indicated above, a new permit must be issued and a new fee submitted.
- (6) The Director of the Department of Environmental Services reserves the right to revoke this permit with a one (1) hour notice.
- (7) Permit must list all contractors and subcontractors who will be working at the above referenced location.
- (8) The Director of the Department of Environmental Services reserves the right to reject requested dates and suggest alternate dates.
- (9) All street restoration should be completed within 48 hours of date work begins.

NOTE THE FOLLOWING:

STREET CANNOT BE CLOSED TO TRAFFIC BEFORE 9:30 AM AND MUST BE OPENED BY 3:30 PM
