Mayor Dawn Zimmer
94 Washington Street
Hoboken, NJ 07030

Subject: Bicycle/Pedestrian Planning Assistance

Dear Mayor Zimmer:

This is in reference to the City of Hoboken's request for planning assistance, which was originally dated October 2, 2009.

Your recent mailing to us included all the requirements set forth in the application for participation in the program. You also have pointed out your willingness to participate in any potential planning study. This participation would be further specified during initial meetings between NJDOT, the City of Hoboken, and The RBA Group, the consultant selected to provide the technical assistance as part of the potential study.

I am pleased to inform you that you will be accepted into this competitive program based on the merits of your application. We are anxious to get started, and we will be in contact shortly to set up an initial meeting to begin scope development for the study.

Please let us know of any questions or concerns that you may have regarding the program. You can contact William Riviere, Principal Transportation Planner on my staff with any questions you may have regarding your application. He is located at the same address, and can be reached at 609-530-4646.

I look forward to working with you, and getting started on this worthwhile project.

Sincerely,

Sheree Davis
Acting Manager
Bureau of Commuter and Mobility Strategies
