Dear Neighbor:

Hoboken is a vibrant and exciting City. It is energetic and diverse, reflecting our entire nation's fabric as a whole. I truly believe that Hoboken is one of the premier communities in New Jersey and throughout the metropolitan region. As Mayor, it gives me great pleasure to provide a dynamic choice of free outdoor cultural and recreational opportunities to the residents of our wonderful community.

I am proud to present our 7th annual Summer Fun calendar of events, with offerings that provide something for everyone. Programs such as Movies Under the Stars, Art in the Park, group exercise, team sports, Shakespeare in the Park, concerts in Sinatra Park and Church Square Park, and family fun nights make sure Summer Fun adds a spark to everyone's summer season.

Outdoor recreation and cultural enrichment opportunities in our urban oasis add to our quality of life. It is imperative that we provide recreational and entertainment activities that benefit all our residents. This administration continues to provide first class leisure opportunities for children ages 5 to 15 years old.

Summer Fun offers something for everyone. That is the goal of our free summer program as we continually expand our recreational and cultural opportunities to meet the needs and desires of all our residents.

Mayor David Roberts
